Join the CSRI mail contact list so you can receive the yearly calendar of events. Send your contact name and e-mail address to: csri2004@yahoo.com to be added. The dates in the calendar of events are provided so you can 'save the date' on your calendar. Registration dates may change as determined by the host agency. Full information will be e-mailed as the dates approach with details of each individual event. Some programs have a registration fee and advance registration is typically required for each event so preparations can be made. Contact each individual agency for their host details and needs. All the various agencies are working together to give you more options. Anyone with special needs can participate with their families regardless of the community you live in. CSRI event notices are only sent via e-mail or through the community you live in through flyers and brochures. Details may change as each event approaches based on the Host Agencies circumstances. Follow our Facebook page for updates.
