My neighbor told me I could email you and you could read this at the meeting tonight.

I was told there is a councilman at town hall every day and acting as the town manager. I don't think this is right and should not be allowed. We are not a city and have no mayor. . We are a town with 5 councilman. If he is going to be the town manager then he needs to resign as a councilman. If he is going to be a councilman then he needs to stop acting like the town manager.

Good morning Beth. On behalf of the Public Works department we would like to say thank you to Wayne and Mike for assisting us in plowing the streets during the last snow storm. It is nice to see our council members going above and beyond to help us out. Much appreciated! Thank you.

11115 Parrish Ave.
Cedar Lake, Lake County Indiana

Good evening Ms. Hernandez,

My name is Jason Shields. I own a home west of the aforementioned property. I would like to express my opposition to the annexation. I would like to make two requests for information.

1. What zoning will the land have if the annexation is approved?
2. I would like to request that you E-mail me a copy of the Public hearing minutes and transcript.

Thank you,
Jason Shields
